

Existing Boundary Fence

Existing Police Check Point
Mature Specimen to be retained

Existing Condition
View northeast from Tam Kon Chau village settlement adjacent to existing police check point (representing views from VSR1 Residents of Tam Kon Chau Village Settlement)

Key Plan

Existing tree crown required to be pruning before construction.

Proposed Secondary Boundary Fence

Proposed Alignment of Boundary Patrol Road

Day 1 of Operational Phase with/without landscape mitigation measures
Given the limitation of land acquisition to minimise impact to village settlement, and clearance requirement adjacent to the boundary fence, police check point and helicopter landing area for security reasons, no new tree planting could be incorporated in this area.
