

Existing view towards Project Site

View towards Project Site with Mitigation Measures on Day 1 of Operation*

View towards Project Site without Mitigation Measures on Day 1 of Operation

View towards Project Site with Mitigation Measures at Year 10 of Operation*

Figure 4.11

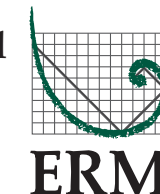

Photomontage from VPc
(Street Level at The Centrium on Arbutnot Road)

*Design features incorporated.

With hard landscape maintenance, the view at Day 1 and Year 10 are expected to show little significant difference.
