

**Potential Magazine Site at Lam Tei Quarry**

- This location is preferred for R11 and TMB.

**Potential Magazine Site at Yuen Long - Tai Shu Ha**

- This location is unlikely to propose as it has been proposed by MTR for NOL.  
- The previous magazine appears to be already removed. MTR proceeded with tree felling application for their proposed magazine.

- This location is subject to the result of QRA for expansion at Siu Lam. If negative, this location will be considered.  
- Storage requirement: sufficient separation to the reservoir

**Potential Magazine Site at Tuen Mun - Pillar Point**

**Potential Magazine Site at Siu Lam**

- This location is preferred for R11 and TMB.  
- The expansion is subject to the result of QRA
