- Note/Abbreviation
- The location of *Gnetum luofuense* from the reviewed literature is not pinpointed as this species is very common and widespread within the assessment area.
 - The location of the *Ixonanthes reticulata* in Tin Hau Temple Fung Shui Woodland and Ching Uk Tsuen Fung Shui Woodland is not pinpointed in the reviewed literature but were present in THTFWSW and CUTFSW.
 - Owing to scale difference, the approximate location of the ditch within the western portal of SKWLR is not shown in Figure 9.2 but in Figures 9.4B, 9.4C and 9.4D.
 - TLC Catchwater Tunnel Nos. 1, 6, 7 and 8 are known bat roosting grounds, while TLC Catchwater Tunnel No. 5 could be a possible bat roosting ground.
 - TLC: Tai Lam Chung
