- TLC: Tai Lam Chung
- TLC Catchwater Tunnel Nos. 7 and 8 are known bat roosting grounds.
- The location of *Gnetum luofuense* is not pinpointed as it was commonly recorded within the assessment area during the ecological surveys. The location of the recorded *Ixonanthes reticulata* in Tin Hau Temple Fung Shui Woodland and Ching Uk Tsuen Fung Shui Woodland is not pinpointed, as this species was abundantly recorded there.
- The approximate location of the ditch within the western portal of SKWLR is pinpointed by a four-point star
