Dear Madam,

**Agreement No. CE 1/2021 (HY)
Improvement to So Kwun Po Interchange
– Investigation, Design and Construction
Request for Information on Spillage and Leakage Incidents**

We are the appointed Consultant by Civil Engineering & Development Department (CEDD) to undertake the captioned Agreement. A copy of memo issued by CEDD dated 20 September 2021 is attached for your reference.

To conduct a Land Contamination Assessment for the captioned project in respect of the improvement works at existing traffic intersections/ junctions, we are required to review the historical and present land use within and around the area and evaluate any potential land contamination issues in the concerned area. We would appreciate it if you could provide the following information for our land contamination assessment in the concerned areas :

1. Reported accidents of spillage of chemicals; and,
2. Reported leakage incident of chemicals.

for the following concerning areas:

1. So Kwun Po Road, San Wan Road, Pak Wo Road and Po Wing Road within the Project Boundary; and,
2. Fanling Highway — Kai Leng Roundabout Section and its slip roads.

Please refer to the Project Boundary as demarcated in the attached figure for your information. The period of investigation would be starting from 1985 to the present.

Due to the tight programme of this project, your prompt response on or before **14 October 2022** is much appreciated.
