Tunnel																												
TBM Tunnel SMA to KSR(NOL) / TBM Tunnel SMA to NTM																												
C&C Tunnel: PHD to KSR(NOL) incl. Southern Extension Tunnel																												
C&C Tunnel: PHD to KSR(NOL) incl. Southern Extension Tunnel - Backfilling																												
TBM Tunnel KTU(NOL) to SAT																												
TBM Tunnel SAT to NTM																												
Tunnel D&B Works																												
Mined / D&B / C&C Tunnel: NTD > Mainline Tunnel																												
NTD C&C Tunnel																												
NTD Tunnel - Backfilling																												
Mined Tunnel NTD to Underground Tunnel																												
D&B Tunnel NTD to Underground Tunnel																												
NTD C&C Tunnel Remaining Works																												
Temporary Magazine Site																												
Tree Cutting, Site Preparation, Internal Road and Paving & Magazine Store																												
Reinstatement Works																												
CLP Substations																												
Temporary CLP Substation for TBM Operation at SMA																												
Site Clearance and Establishment																												
Construct Temporary Substation																												
Decommissioning, Demolition and Site Reinstatement																												
Permanent CLP Substation for NOL Mainline Operation at PAA																												
Site Clearance and Establishment																												
Construct Permanent Substation																				1				1				
TBM Contractor Site Office and Material /Equipment Storage Area																												
Contractor Site Office																												
Removal and Reinstatement									1
