Appendix 4.4

Photographs of Selected Representative Noise Sensitive Receivers

<p>NSR : Mo Fan Heung</p>  A photograph showing a residential area with several multi-story buildings. In the foreground, there is a green fence and a paved area. Power lines are visible overhead against a clear blue sky.	<p>NSR : Pok Wai</p>  A photograph of a narrow residential alleyway. On the left, there is a blue metal fence. In the background, several multi-story residential buildings are visible under a clear sky.
<p>NSR : Long Ha</p>  A photograph showing a residential area with a chain-link fence in the foreground. Behind the fence, there are buildings and a large electricity pylon. The sky is clear.	<p>NSR : Village House near Wang Ping Shan South Road</p>  A photograph of a modern, multi-story residential building with balconies. In the foreground, there is a concrete wall with some notices attached. A large tree is on the left, and a hill is visible in the background.
<p>NSR : Hongtai Home for the Aged Limited</p>  A photograph of a residential building with a white fence in front. A white car is parked on the left, and a person is walking on the sidewalk. The sky is clear.	<p>NSR : Yau Tam Mei Tsuen</p>  A photograph of a simple, single-story residential building with a corrugated metal roof. There are windows and a small outdoor area with a table and chairs in front.
